First Grade Readiness – Prairie Hill's school policy is that children must be 6 years of age by May 1st to be considered for first grade. We strongly believe this is the age children are developmentally ready for first grade, and adhering to the May 1st guideline is the best way to ensure that your child's developmental needs (academic, social and emotional) will be met by the unique Waldorf Curriculum that Prairie Hill offers. If your child's birthdate is on or before May 1, we will hold a space in grade 1 for them in the upcoming school year. If your child's birthdate is May 2 or later, we will hold a space in kindergarten for them in the upcoming school year. We will continue to conduct grade 1 readiness assessments for each eligible student. If it is determined that your child is an exception to the age cut-off policy, we will place your child in the alternate class if there is space available. If space is not available, your child will be given priority placement on the waiting list.

We strive to create a diverse population of students and families. The information you provide to us on your child's race and ethnicity is used for state reporting purposes. **Student is Hispanic or Latino:** Yes No
