

Summer...

As It Should Be:

Set on our lush 14-acre campus, Summer at Prairie Hill is where childhood comes to life. Campers will spend their screen-free days exploring the natural world, diving into imaginative art projects, and forming lasting friendships through joyful play.

Guided by the gentle rhythm of Waldorf education, each day ensures a healthy balance of focused activity and free exploration.

Led by our experienced staff and featuring exciting visits from special guests, it's a summer designed for fun in the sun and memories that last a lifetime.

At Prairie Hill Summer Garden Camp your camper will experience:

- Morning meadow walk
- Exploring nature
- Making new friends and deepening relationships
- Plenty of time for creative free play
- Singing, movement and water play
- Fun-filled activities
- Learning and practicing new skills
- Weekly themes
- Creating art projects with natural materials
- A consistent rhythm

Don't miss these adventures; choose from eight weeks of summer fun!

Week 1: June 8-12 Habitats and Homes

Where oh where do our animals friends dwell? Campers will explore our meadow and woods in search of dens, nests and burrows. Which creatures live in the ground? In the trees? This week, we celebrate our furry friends through discovery, stories and fun!

Week 2: June 15-19 Fairy Tales

"Once upon a time"....Campers will be transported to magical lands as we read and discover fairy tales from around the globe. Imagination and wonder will fill their minds as they discover stories from long ago!

Week 3: June 22-26 Water Fun

Splish Splash! Let's play with water and all it can be! What awaits us beneath the waves? Campers will splish and splash their way through an aquatic paradise as we transform our outdoor play space into an ocean filled with brightly colored fish and sea creatures.

Week 4: July 6- July 10 Friendly Frogs

We're going on a frog hunt! Where do our hopping friends live? We will search high and low to discover a frog's favorite habitat. Frog games, stories and water table play will delight and amuse the campers this week.

Week 5: July 13-17 Fairies & Gnomes

I spy a fairy! I see a gnome! Campers will meander through our wooded trails to find the homes of our tiniest friends. Enchantment awaits as they discover the possibilities of who may live in the forest.

Week 6: July 20- July 24 Bugs & Butterflies

Flit and fly! Creep and crawl! Bugs and butterflies are everywhere we look! Campers will investigate insects, discovering their beauty and unique traits.

Week 7: July 27- July 31 Music and Rhythm

Whistle a tune and strum a song! Campers will sing and dance to their own beat this week as we explore music through instruments, including our own voices!

Week 8: Aug 3-Aug 7 All the Feels

From squishy clay, cool water and crunchy leaves or ooey gooeey slime; we are going to "feel all feels" this week.

(Activities within the theme for each week may be subject to change without notice.)

Snacks: Please pack 2 snacks for your child for full day participants and 1 snack for half day participants.

Lunch: Please pack a hearty, healthy lunch for your child for both half day and full day participants.
